

## Fiberglass Bodywork/Finishing Specialist

### Job Description

Located 30 minutes north of Seattle, Dillon Works specializes in the design and fabrication of custom themed dimensional and architectural elements. Projects include themed elements and areas within shopping malls, retail venues, amusement parks, casinos, exhibits, displays, restaurants, signage and more. Our website, [www.dillonworks.com](http://www.dillonworks.com), will give you a glimpse into our past projects and capabilities.

We are currently seeking a Fiberglass Bodywork/Finishing Specialist to play a crucial role in the fabrication and creation of custom art and attractions globally. Your expertise in working with fiberglass and Bondo will be instrumental in achieving exceptional results. We offer a wage in the range of \$23 to \$26 per hour, DOE, for this position.

### Key Responsibilities

#### Fiberglass Repair:

- Assess and repair damaged fiberglass components.
- Create molds for custom fiberglass parts.
- Apply fiberglass materials using appropriate techniques.

#### Bondo Application:

- Skillfully apply Bondo and other body fillers to smooth and/or repair custom parts.
- Shape and contour Bondo applications to achieve seamless integration between custom parts.

#### Surface Preparation:

- Expertly prepare surfaces for fiberglass and Bondo applications by sanding, priming, and ensuring a smooth finish.

#### Collaboration with the Paint Team:

- Work closely with the paint team to ensure a flawless transition between bodywork and paint applications.

#### Quality Assurance:

- Conduct thorough inspections to ensure all bodywork meets our high-quality standards.
- Make any necessary adjustments or refinements to achieve perfection.

#### Documentation:

- Maintain accurate records of materials used, hours worked, and tasks completed.

### Preferred Qualifications

- Certification or training in fiberglass bodywork and a minimum of 3-5 years of Bondo application experience.
- Prior experience in automotive restoration or customization.

**Requirements:**

- Proven experience as a Fiberglass Bodywork/Finishing Specialist or similar role.
- In-depth knowledge of fiberglass repair techniques and materials.
- Proficiency in applying Bondo and other body fillers.
- Strong attention to detail and precision in workmanship.
- Ability to work independently and collaboratively within a team.
- Excellent problem-solving skills in the context of bodywork repairs.
- Safety-conscious mindset in handling tools, materials, and chemicals.

**Benefits:**

- Competitive wage (commensurate with experience).
- Paid medical, dental and vision insurance.
- Paid vacation & holidays.
- SIMPLE IRA plan retirement option w/employer match to 3% of annual.

If you enjoy producing custom fiberglass work, thrive in a team-oriented culture and are looking for a fast-paced, creative environment that will challenge your skills, we'd like to hear from you.
