

## Senior Technical Designer

If you would like to work with a team of artists, engineers, tinkerers and thinker-ers, on one-of-a-kind projects in a creative environment, we may be the company for you.

For the past 35 years, Dillon Works has designed & fabricated award-winning projects around the world. You'll find our work all over the United States and in Russia, Hong Kong, Japan, Korea, Portugal, Estonia, International Waters, the UAE, Shanghai, Mexico, Macau and even Canada.

We are currently accepting resumes for the position of Senior Technical Designer/Drafter.

We are looking for a combination of technical skills, creative flare and real-world savvy to join our design group. The ideal candidate will have the ability to develop technical & mechanical fabrication drawings for a diverse assortment of entertainment, interiors, and architectural ornamentation design/build projects.

You must possess a broad and varied practical knowledge of materials, substrates, fabrication techniques and be an eager participant in working with and developing new processes. You must also be able to interpret the design intent and possess the ability to troubleshoot problems with creative solutions and possible alternatives mid-stream working closely with the fabrication team in making these a reality. Experience designing LED lighting and control systems a plus.

## Skills

Extensive experience designing custom architectural, industrial design, environmental and/or theatrical elements using AutoCAD a must. A developed knowledge of Adobe CS, Sketchup, SolidWorks, Fusion 360 and Rhino also a plus.

For more information about what we do at Dillon Works, visit our website at [www.dillonworks.com](http://www.dillonworks.com). You can email your resume and portfolio samples to [job@dillonworks.com](mailto:job@dillonworks.com), but snail-mail works too.

Please, no phone calls.

Benefits for full-time staff positions include:

- Competitive salary (commensurate with experience).
- Medical, dental and vision.
- Paid vacation and holidays.
- SIMPLE matching IRA
- State-of-the-art 3.9 million sq. in. facility, 30 minutes north of Seattle.
- Dillon Works! Inc. is an Equal Opportunity Employer.
